

Transition Tips

Getting Organised!

Students

- **Know what lessons you have and on what days.**
- **Know what equipment is needed and on what day.**
- **Use your planner. It is there to help you to remember what you need to do.**

Tips for Parents/Carers

- **Your child will have their timetable written in their planner.**
- **Check that your child has the right equipment on the right day.**
- **Use your child's planner as another way of communicating with staff.**
