

Transition Tips

Homework

Students

- **Write down your homework in your planner.**
- **Make sure that you get all of the information you need from your teacher for you to be able to complete your homework.**
- **Make sure that you write down the date that the homework needs to be handed in.**
- **If you have a long time to do your homework, set yourself a halfway date reminder in your planner.**
- **Ask your teacher to help you if you are having any difficulty completing the homework.**
- **Remember to hand in your homework!**

Tips for Parents/Carers

- **Check your child's planner for homework.**
- **Encourage your child to complete homework on the day that it is set.**
- **If you can, make sure that your child has a quiet space to complete homework.**
- **If your child needs help, please help them but remember it is your child's homework, don't do it for them!**
